Getting free stuff is great – it's even better when it is funny, sarcastic, and borderline inappropriate! 😏

There are three pages of gift tags for a variety of occasions and people. None of these would be approved by Hallmark, none are sentimental and mushy. Most are silly, sarcastic, honest, emotionally constipated, or just plain snarky. *Enjoy!*

As noted on the labels, these can be printed onto Avery Printable Blank 2.5" Round Labels (27953). Or you can print on regular paper and cut them out as needed.

Quick Tips for Printing:

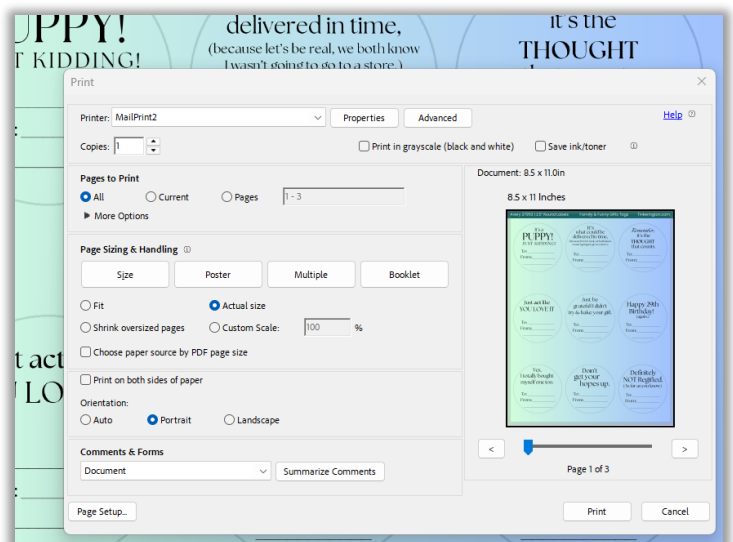

Every printer can be set up differently; here are the printer settings to help ensure your labels print correctly.

Printer Settings:

- Paper Size: Actual
- Orientation: Portrait
- Margins: 1" Top, Right, Left, & Bottom
